

Keep track of your pension pots

We discovered...

Nearly

1 in 5 people will lose track of
at least one pension pot¹

25% are not aware that they can move
most pension pots from one
pension company to another²

33% don't know what the value is of
all their pension pots combined²

23% didn't know they paid any charges
on any of their pension pots²

Saving on charges

is the most influential reason to move
a pension to another company²

Survey completed by
more than 1,000 people
