Investment objective

The People's Pension Ethical Fund aims to track the performance of the global equity market as closely as possible whilst only selecting 'socially responsible investments'. This is a higher risk fund aimed at maximising growth over the long term. The fund is aimed at members who wish to take account of ethical, environmental or social principles. This fund's investments are weighted towards companies that demonstrate a robust ESG profile or an improving trend. Companies who are involved in the production of controversial weapons, including cluster munitions, are excluded.
